Amos' plan had | apparently worked; they had managed to climb back in the ship and > get the costume from the grey man's cabin without being seen and then sneak off after him into the garden.."Well. . . not for a long time." But I think her words sound unsure..The production model was ready for shipping hi September. It was a simplified version of the prototype, with only two controls, one for space, one for time. The range of the device was limited to one thousand miles. Nowhere on the casing of the device or in the instruction booklet was a patent number or a pending patent mentioned. Smith had called the device Ozo, perhaps because he thought it sounded vaguely Japanese. The booklet described the device as a distant viewer and gave clear, simple instructions for its use. One sentence read cryptically: "Keep Time Control set at zero." It was like "Wet Paint-Do Not Touch."The problem with literature and literary criticism is that there is no obvious craft involved?so people.admitted to the Commonwealth of Zorph as a Status V member.
