Listen, what is this Cavut?".From Sesesy on the east coast of Ark where he left his passengers, having danced the Long Dance.The wind rattled the dry leaves on the scrub-oak bushes. The sun was behind the hill, and clouds.Among the Hardic-speaking people of the Archipelago, the ability to do magic is an inborn talent,.its use increasingly controlled by moral and political purpose. Wizards trained at the school went.He found a carter who would carry them down to Endlane, Otter's mother and sister were living with."Get the sail down," Medra said, peremptory. The master yawned and cursed and began to shout.They met in the lane under Iria Hill in the dark of night, long after sunset, long before dawn. Rose made a dim glow of werelight so that they could find their way through the marshy ground around the spring without falling in a sinkhole among the reeds. In the cold darkness under a few stars and the black curve of the hill, they stripped and waded into the shallow water, their feet sinking deep in velvet mud. The witch touched the girl's hand, saying, "I take your name, child. You are no child. You have no name.".THE ISLAND OF SEMEL lies north and west across the Pelnish Sea from Havnor, south and west of the.Of them all it was the Herbal, the healer, who was the first to move. He went up the path and.One day in autumn he came back to the school. He went in by the garden door, which gives on the path through the fields to Roke Knoll. It is a curious thing about the Great House of Roke, that it has no portal or grand entryway at all. You can enter by what they call the back door, which, though it is made of horn and framed in dragons tooth and carved with the Thousand-Leaved Tree, looks like nothing at all from outside, as you come to it in a dingy street; or you can go in the garden door, plain oak with an iron bolt. But there is no front door..originally part of the governance of the school or of the Archipelago, is no longer useful or.So it became dangerous to practice sorcery, except under the protection of a strong warlord; and.Then Losen cursed and cried, and his slaves brought him wine, and the mage went out, bowing, and.he explained that he could not eat yet. "As I stayed there in the sickness, in the sick fields, I.Next day he had Licky send him the boy. He looked forward to seeing him, to being kind to him, teaching him, petting him a bit as he had done yesterday. He sat down with him in the sun. Gelluk was fond of children and animals. He liked all beautiful things. It was pleasant to have a young creature about. Otter's uncomprehending awe was endearing, as was his uncomprehended strength. Slaves were wearisome with their weakness and trickery and their ugly, sick bodies. Of course Otter was his slave, but the boy need not know it. They could be teacher and prentice. But prentices were faithless, Gelluk thought, reminded of his prentice Early, too clever by half, whom he must remember to control more strictly. Father and son, that's what he and Otter could be. He would have the boy call him Father. He recalled that he had intended to find out his true name. There were various ways of doing it, but the simplest, since the boy was already under his control, was to ask him. "What is your name?" he said, watching Otter intently..swimming. But something like that is what Medra had been thinking as he sat at the table in his.And it was in these discussions that the school on Roke began..Reaches there is often no government other than the Isle Parley and the Town Parleys. He gave orders, and.remained motionless for a few seconds, then slowly went along the shore, following its uneven."Well, to my story. Forty years and more ago, there was a child born on the Isle of Ark, a rich isle of the Inmost Sea, away south and east from Semel. This child was the son of an under-steward in the household of the Lord of Ark. Not a poor man's son, but not a child of much account. And the parents died young. So not much heed was paid to him, until they had to take notice of him because of what he did and could do. He was an uncanny brat, as they say. He had powers. He could light a fire or douse it with a word. He could make pots and pans fly through the air. He could turn a mouse into a pigeon and set it flying round the great kitchens of the Lord of Ark. And if he was crossed, or frightened, then he did harm. He turned a kettle of boiling water over a cook who had mistreated him."."Rose's spells work as well as ever," she said stoutly..That's a formality. We senior sorcerers may carry a staff when we're on Roke's business. Which I.wide awake now..must be a horrible thing - not to breathe the air." She had shuddered at the thought. It was the.mainland. Using an invocation of the Old Powers called the Waterlore (perhaps the same that.And the boy must have a staff. Why had Nemmerle let him leave Roke without one, empty-handed as a.had had no one in her life to desire. When the young wizard first came riding by so slim and.had all in some degree that gift; and they shared, in secret, what lore and craft they had. But not as always..In the west of Havnor, among hills forested with oak and chestnut, is the town of Glade. A while ago, the rich man of that town was a merchant called Golden..After a while she heard the latch rattle. The door opened. An ordinary-looking middle-aged man stood there. "What can I do for you?" he said. He did not smile, but his voice was pleasant..yes! This is the way." Yet he was following Otter. His touch and his spells pushed him, rushed.Glade, Golden was glad to show him fealty. The Lord was born to govern and to keep the peace, as."But the Summoner fought him both in body and spirit, and called to me, and I came. Together we.next day or so..want to stay alive. I'll see that you're sent there. If you'll go..you in ivory. I'm sorry if I'm meddling in your business. Sir." She flung out the door with two."I think I do..mind, seeking his true name. But he did not know where to look or how to look. A finder who did.him. Their heads were on a level, she sitting crosslegged up on the dance platform, he kneeling on.the world was imbecile, why her blessing seemed to burn the seed in the furrows and blight the."Why do you play deaf?" I asked, and suddenly, from the spot where I stood -- as if from.wilderness, in tents and lean-tos made of scraps, or shelterless. "Oh, this won't do," Crow said,.AT THE END OF THE fourth book of Earthsea, Tehanu, the story had arrived at what I felt to be now..It was Havnor, his land, where his people were, whether alive or dead he did not know; where Anieb lay in her grave, up there on the mountain. He had never been back, never come this close. It had been how long? Sixteen years, seventeen years. Nobody would know him, nobody would remember the boy Otter, except Otter's mother and father and sister, if they were still alive. And surely there were people of the Hand in the Great Port. Though he had not known of them as a boy, he should know them now..in something that shone like phosphorized metal. The fabric clung to her: she was as if naked..Egyptian cat.
